

Hotels & Hostels in walking distance from the venue

We've tried to put together a variety of hotels & hostels in walking distance from the venue. Except the Ackselhaus, we visited all of them & feel we can recommend them to you. The prices listed below are based on the information we received on request from the hotels/hostels & their websites. Please have a look at their websites or call the hotel before making your reservation. In the area you will find a big variety of cafés, bakeries & restaurants. Prenzlauer Berg is a very lively & „hip“ district in the center of Berlin with lots of culture, history & possibilities for going out.
